The Huntingtons and Locals played a good game of hall yesterday afternoon at East End Park, witnessed by a goodly-sized crowd of local enthusiasts.

The score stood—
Huntington 3.

Mayavilie 9
Good George Reiman was in the hox for the Locals, while Tenley caught two lunings, after which Captain McGann took his place, Hall going on second, and both players made a good clean record in their respective changes. The Captain caught the seven innings without a single error.

The Huntingtons had Truchart Taylor in the points, while Ireisand O'Brien did the catching. Taylor pitched a splendid game, and had he been supported the score would have been quite different.

But if they are asisfied, we are tickled.

have worked to make this Fair a success certainly deserves to be recognized in a substantial way. The Floral Hall is simply a paradise. This is the best feature of the Fair or any other Fairs, and this year Mr. J. B. Noyes and Mrs. Jennie O. Clarke have it in charge. The Hall is superhily decorated, and everything will be done to make the patrons have a fine time. A novel attraction during the week at this popular place will be a votine hooth, built by a wealthy bachelor of our city, where votes can be cast for the bandsomest lady, and the one receiving the great est number of votes will be given a life-size photograph, donated by one of our most popular photographers. A builtent board at the voting place will announce the vote each day, and on Saurday afternoon the total vote will be known by the figures out the builten board.

The officer plead guilty in the Police Court yesterday morning and was fined. Yesterday afternoon 'Squire Bramel fined him for the same offense, and the officer, refusing to pay the fine, was seen to Jail. Be was released on a writ of habeas corpus, and at the trial hefore Judge Rutchins he declided that the case was in the jurisdiction of the Police Court, and that 'Squire Bramel had no right to the him.
